Thur 1 Oct

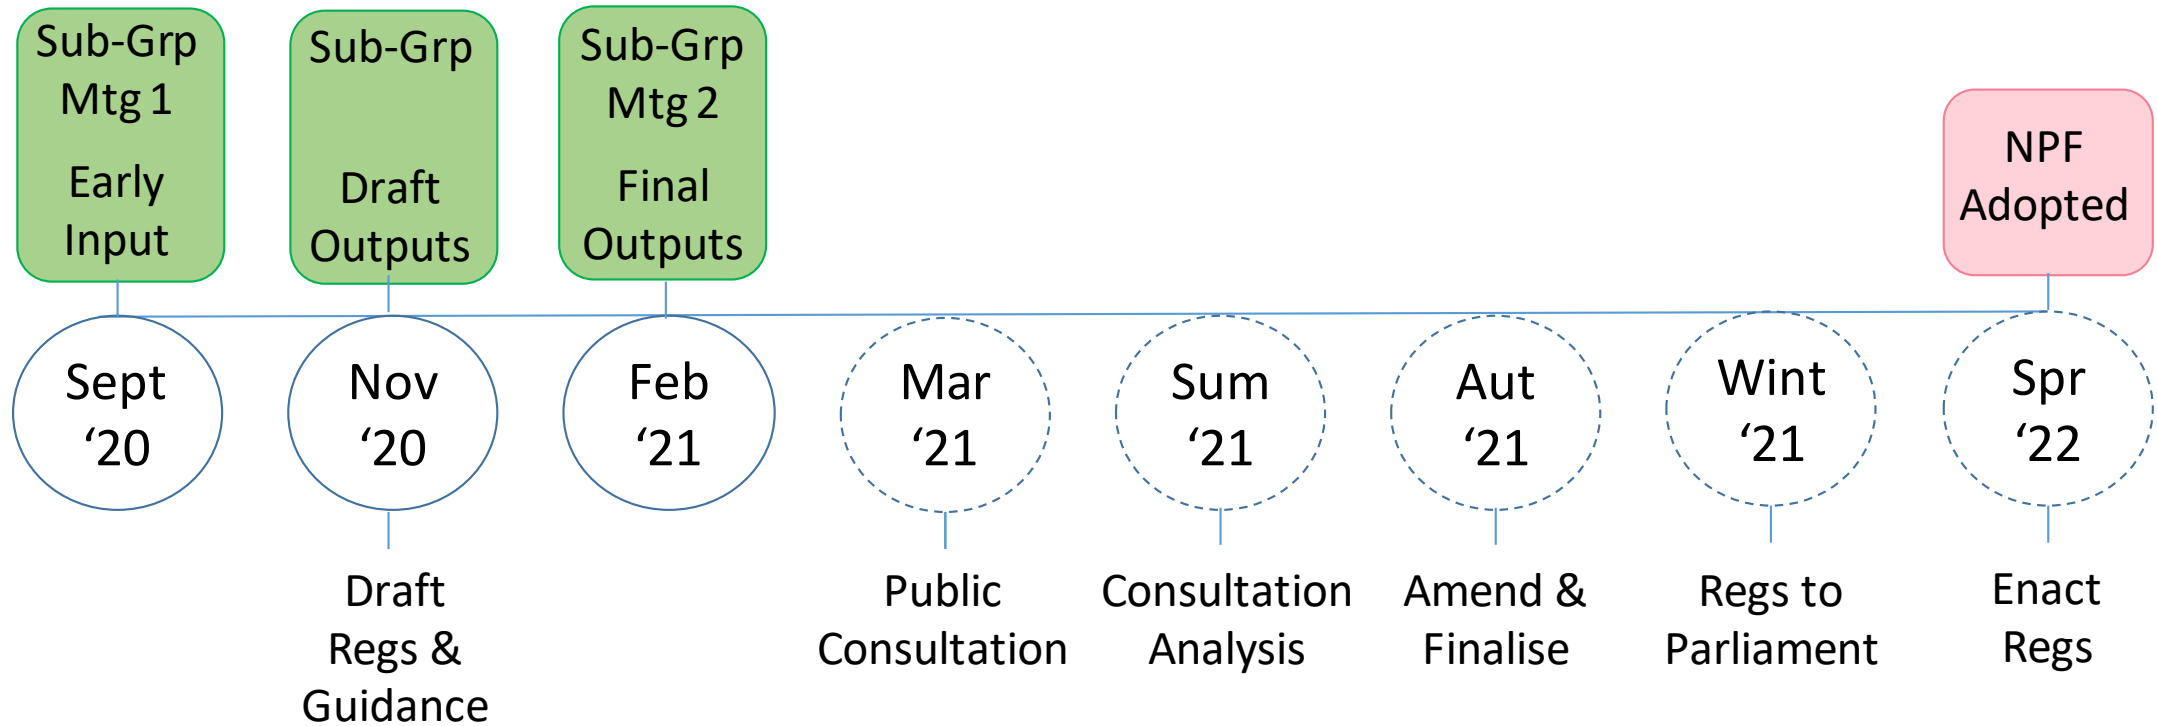

Aims & Outputs

Aim: To produce a clear description of the process for preparing a local development plan.

Outputs

- **Flow chart** of the process, milestones and outputs for preparing an LDP.
- **Description** of the individual stages, including **legal** requirements, advice on **how** to meet them, identification of **responsibilities** and **timescales** for each stage.

Timeline

Support / Resources

- Working Group Overview & Sub-Group Work Briefs
- Discussion Papers
- Sub-Group sessions
- Miro.com
- On-line library
 - Diagrams collated from various publications and presentations
 - Local Place Plans overview
 - Outputs from 2018 SEA Forum
 - Link to info on various other assessments that are needed / expected

Key Messages

- Intend for new processes to result in new style plans
> Relevant > Accessible > Deliverable > People & Place Based > Collaborative
- Outputs should reflect that national policies are under review – need to be flexible
- Aims is to keep content of regulations to minimum necessary and provide most of the supporting material in guidance
